

SPECIAL CUTS CAN NOT BE CANCELLED OR RETURNED

Please call customer service at: 877-HTC-2260 (877-482-2260) to place your order or if you have any questions.

What is a Special Cut: A Special cut garment is not tailored to fit each one of your measurements. Using the measurements that you provide, the manufacturer will craft the garment based on what is called the "Critical Measurements". For example: If you have broad shoulders, the garment pattern will be made to fit your shoulders, with all the other measurements increased accordingly. Therefore, although it will fit your "Critical Measurements", this garment may seem slightly oversized in other areas.

How to Measure:

Have someone else measure you.

Use a **METAL** tape for accuracy. Keep tape straight, but not tight.

Measure wearing under garments.

If your measurements fall between two sizes, order the larger size.

**Complete the measurement section on this worksheet.
